Admissions

UBC Okanagan Child Care prioritizes full-time UBC students, faculty and staff. Confirmation of student or employee status will be required prior to enrolment. If there are additional spaces available, they would be offered to alumni families and the greater community.

Waitlist Information

Families are placed on the waitlist and offered available spaces according to their date of application. It is the guardian's responsibility to inform us of any changes to their status with the University. If care is offered based on false information, the contract may be terminated. When children on the Infant/Toddler waitlist turn 2.5, they are transferred to the 3-5 waitlist (placement is according to the date of application).

This application does not guarantee enrollment. The Associate Director of Child Care Services reserves the right to refuse entry.
